Psalm 37:2

Prayer of Repentance for Nations of America, Israel, Government, Leadership, Family

Father in the name of Jesus we come before your throne as your Army, with humble and contrite hearts on this day of repentance. Father as we step onto the battlefield of righteousness, we walk in a spirit of unity, with one heart, one mind, and one accord, to disarm and take away any legal right the enemy may have over your people, and your country called the United States of America and Israel. We come before your throne with emptied souls and spirits; we come humbly. For your word says in 2 Chronicles 2:17 "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land." El Shaddai; God almighty we come repenting of our sins, we are repenting for our families, the nations of Israel and America, we come repenting of our governments.

Father in the name of Jesus we repent for not having a humble heart, walking in pride, having haughty spirits, and attitudes, thinking because we are in leadership we don't have to repent. Father, we repent for not walking in a spirit of repentance daily and for not discipling others to do the same, knowing that an effective warfare starts with target focused repentance. Father in the name of Jesus we repent for engaging in friendly fire, attacking others in the Body of Christ, shooting with our words; wounding each other because we do not agree. We repent for our arrogance, murdering others with our words when your word says, "thou shall not murder". We repent for those that label you as a prochoice God; forgive us for child sacrifice through abortion. Father in the name of Jesus we thank you that in Isaiah 50:4 your word says "The Lord GOD hath given me the tongue of the learned, that I should know how to speak a word in season to *him that is weary*: he wakeneth morning by morning, he wakeneth mine ear to hear as the learned." We are learning to pray prophetically, proactively and offensively. We thank you for awakening us to speak a word in season to all that is weary.

Father in the name of Jesus we repent for having a religious, legalistic, and critical spirits, creating chaos, aiding the Kingdom of darkness, and committing spiritual treason by dividing the brethren. Father in the name of Jesus we repent for not operating in a spirit of unity; love, mercy, and grace, allowing our love to grow cold, and not showing the same love, mercy, and grace, that you have shown us. Father, we ask that you give us the strength, the maturity, and the discernment to push away everything that is separating us from you, from one another, and from operating as the one true army you have chosen us to be. Elohim, we thank you that you are giving us the power to love like you and to walk in the fruit of the spirit with love, joy, peace, meekness, temperance, and patience.

Father in the name of Jesus we repent for having an intellectual knowledge of you, but truly not knowing your ways denying the very power thereof. Father forgive us for the spiritual arrogance this has created, operating out of our intellect, versus out of your spirit, honoring you with our lips but our hearts are far from you. Father, we repent for aiding the Kingdom of Darkness and committing spiritual treason by having an escapism mentality, taking ourselves out of the fight and for influencing and leading others astray down this same path. We thank you for the time of prayers and repentance and reminding us 2 Corinthians 10:4 "(For the weapons of our warfare *are* not carnal, but mighty through God to the pulling down of strong holds;)" We come these 40 days to pull down stronghold, rebuking the satan and his imps.

Father in the name of Jesus we repent for having a spirit of cowardice, always taking a defensive posture and not going on the offensive when you gave us all the power over all the enemy. Father, we decree and declare this day, that as your Army, we will go on the offensive from this day forward, no longer in retreat, but taking the fight to the enemy. We thank you lord Psalms 144:1 "Blessed *be* the LORD my strength, which teacheth my hands to war, *and* my fingers to fight:"

Father, we repent for taking ground for your kingdom but not leaving anything in place to hold that ground, allowing the enemy to come back in 7-fold worse, only having to fight harder to reclaim the ground that we freely gave away. Father, we decree and declare this day as your army that we will take ground for the Kingdom of God, and we will hold that ground at all costs. Abba, we repent for not disciplining people, and the next generation, to hold that ground we have taken, and to continue the fight. Abba, we ask in the name of Jesus that you would give us a spirit of courage and boldness with the intensity that has never been seen in the history of mankind, to take back this country and this earth for your kingdom. Lord Jesus, you said we would not only do the things that you did, but even greater things we shall do. Father, we decree and declare that the time is now for this to take place, we ask for greater power, and authority, to do the things you have called us to do in these end times. We pray that Joel 20:28 And it shall come to pass afterward, *that* I will pour out my spirit upon all flesh; and your sons and your daughters shall prophesy, your old men shall dream dreams, your young men shall see visions: And, upon the servants and upon the handmaids in those days will I pour out my spirit. Pour out your spirit Jehovah upon our sons and daughters causing a Joshua and Joseph generation to rise up and serve King Jesus. They shall rise up in the name of Jesus fighting for Jesus with boldness and prophesy.

Father in the name of Jesus as your people we repent for not being the spiritual and moral compass that you have called us to be, for this country, and the entire world. Abba, we repent for being more concerned about the 4 walls of our churches, versus the congregations, and the lost. Father, we repent for being more concerned about being politically correct, versus being truth seekers and truth speakers. Father, we repent for walking in the fear of man versus the fear of God. Father, we repent for staying inside the 4 walls of a building, and not taking your gospel to the streets, and bringing in a harvest that is ready to be gathered. Abba, we repent for allowing defilement in our pulpits. Father, we repent for allowing freemasonry, secrets, and homosexuality into our pulpits, and allowing its influence into your houses of prayer, and calling it church. Father, we repent for our women and women wearing seductive clothing and being too carnal minded. Abba, we thank you that you are giving us pastors after your own heart, apostles and prophets, evangelists and teachers who love your laws and precepts, who shall have the heart of the people and land for the good.

Father America has never received her harvest, so we decree and declare that Americas harvest is here now. Father, you said that Americas harvest would come back to her 7-fold what the enemy has stolen, so we decree and declare that Americas 7-fold return is here now. Abba, we pray in Jesus name that the end time harvest would be launched, to free the spiritually oppressed peoples of the earth, we decree and declare that your will be done, to bring souls into the kingdom of God. Father, we pray for your leadership over this country, your Army, and the people of this country, that a fresh habitation of your Holy Spirit would fall, hover and brood over us. Father, we decree and declare as your Army that as this Holy Spirit habitation takes place that you're America on all levels shall be turned back to you.

Father, we ask that you protect America from her enemies, foreign and domestic. Father in the name of Jesus we ask that you expose all corruption in all levels of leadership in government, and in your house, and that those who are corrupt would be exposed and removed. Father, we ask that your divine justice be carried out against all corruption. Father, we thank you now for raising up a just and righteous leader who will lead with fairness and justice for all for the

Father, we ask that you protect Israel from all her enemies foreign and domestic, and that she would prosper like never before. Father, we pray for the peace of Jerusalem, and we ask that a habitation of your Holy Spirit would come to Israel. Father, we pray for and bless Prime Minister Netanyahu, we ask that you protect him and his family lord. Father, we ask that you give him and his administration the 7-fold spirit to govern Israel. Father, we ask that divine exposure and justice would come to those that would try to stop heavens agenda for America, the President, the white house, and Israel.

Father, we now ask that the spirit of the fear of the lord would come over your people now, and that it would bring your people to an everlasting fear and awe of you. Abba, we repent for cursing your America saying she should burn, when you wish that none would perish. Father, we repent for not speaking life into your America and Israel to complete their destiny.

Father, we decree and declare that America will prosper like never before, so that your end time harvest can begin. If this is truly the last years of plenty, give your people insight, foresight, and hindsight to prepare for the seven years of lack. Father, we ask that as we enter this end time harvest that you would bring in the harvesters, Father we ask that you give your true Army a warrior's mindset, never giving up, and taking the fight to the enemy. Father, we ask that you increase the Army of Gods wisdom, discernment, power, and authority to a level that has never been seen, so that we can bring glory not to ourselves, but to you and you alone lord Jesus. Father, we pray for and bless Israel, we ask that the relationship between Israel and America would be stronger than ever.

Father, we pray for the news media, that the corruption would be exposed and removed, and that the spirit of truth would begin to flow. Father, we pray for the Supreme Court, that you would reform your court and your judicial system, and we decree and declare that laws that have been written to call wrong right will be overturned. Father, we thank you for

stopping the enemy's timeline and placing us back onto yours. Father, we know that the earth is moaning and groaning for the sons and daughters of God to come forth, so in the name of Jesus we command the Army of God to arise and take her place, for there is no more time to wait. Father thank you for pouring out your Elijha spirit and turning the hearts of the Father to the children, and the children to the Father. Return your children to you O'Lord. Restore broken marriages, husband and wife relationships, restore broken families and siblings. Restore broken friendships. Restore broken business relationships. You are our Supreme Commander, and we are The Army of God, heavens invading expeditionary forces. Expose every back door deal and under the table deal. Expose every human trafficking highway, child pornography and molestation house. Father expose, every house of prostitution and drug trafficking. Thank you, Father, for protecting our children and we ask that you commission Michael and his warring angels to stand at the doors of our schools and protect our children from the strong hold of jealousy and murder.

Father, you said judgment starts in the house of the lord, we ask that you separate the wheat from the chaff, separate your true body from the counterfeit lord. Father, we pray for every Apostles, Prophets, Evangelists, Pastors, and Teachers, remove the counterfeit, and replace with true spiritual leaders of ethics, integrity, and faith. Father your hand is upon our nation and Israel, and we decree and declare that no harm in any way and that no weapon formed against our nation will prosper. Father in the name of Jesus we decree and declare that America and Israel will complete their destiny that you have given. Father in the name of Jesus we ask that you release your protecting angels to surround America and Israel, and that they would stand shoulder to shoulder so that no evil can penetrate. Lose Michael and your warring angels to go before America to fight against the enemy; satan that demon from hell.

Father, we repent for allowing immorality into our pulpits and its influence on our congregations. Father, we repent for the divorce and the abortion rate in your houses of prayer to be the same as the world. We repent for taking a bribe for a tax right off, and staying silent for 30 pieces of silver, opening the door for the demonic influence in our houses of prayer. Father, we repent for being incorporated as your houses of prayer, allowing the state and the government to be the head of our ministries, versus you lord Jesus. Thank you, Father, you are raising up a righteous generation who will govern according to your laws. Thank you, Father, for exposing every human trafficking superhuman highway and holder cells. Abba, we repent for the murdering of your prophets and the saints, for being drunk on the blood of the prophets and the blood of the saints. Father, we repent for sacrificing your people on the altar of mammon, because we are more interested in money, big fine homes, and cars, versus the sanctity of life, and speaking out on the issues that matter to you lord.

Father in the name of Jesus, we ask that you cleanse all defilement off your people and this land. Father the innocent blood that is on the hands of your people, we ask that you cleanse us now and your land, in the name of Jesus; we ask that your blood would wash us, cleanse us, purify us, lord. Father, we have soiled our garments; we ask that you bring us into that place of being the spotless bride you have called us to be.
